Initiative & Contribution	Proactiveness and contribution of useful ideas, improvements, or solutions.			4 / 5
Overall Satisfaction	Overall satisfaction with the employee's contribution and professional performance.			4 / 5

Section C: Professional Feedback

1. What do you consider Saleh Ahmad Shakil's most valuable contributions or strengths?

Mr. Saleh Ahmad Shakil has very good technical ability and is very adaptive. He quickly grasp new technologies and is challenge taking.

2. Please describe an example where his work, ownership, technical ability, or problem-solving created a positive impact.

While working with International Online University, we faced severe issues with the video encryption and encoding process that was prepared by another member of the team. Mr. Saleh Ahmad Shakil further studied

the process and refined it which resulted in higher encoding success rate and improved the encoding and encryption timing of the process.

3. How satisfied are you with his overall contribution to the projects or responsibilities you worked on together?

I am very satisfied of the contribution that Mr. Saleh Ahmad Shakil has done so far. He rationally approaches each assigned tasks and questions further to bring clarity to the requirements which is important.

Section D: Reviewer Confirmation

I confirm that this feedback represents my professional opinion based on my direct experience working with the employee.
